Bangkok 2nd International Cell Therapy Forum

(Research and Review Literature of Cell Therapy)

26th – 28th November 2013

At Paetai Room, Windsor Suites Hotel, Bangkok

26th November 2013

08.00 - 09.00	Register
09.00 - 09.15	Opening
	By Assoc. Prof. Dr.Weerapong Paesuwan
	The Science and Technology Ministry's Deputy Permanent Secretary
09.15 - 10.15	Review Literature of Cell Therapy
	By Chatdanai Musigchai, MD.
10.15 - 10.30	Break
10.30 - 12.00	Mechanism of Cell Therapy Regenerative or Reparative?
	By Associate Professor Dr.Apichart Oranratnachai, MD., M.Repord.Sc.
12.00 - 13.00	Lunch
13.00 - 14.30	Mesenchymal Stomal Cell (Umbilical Cord)
	By Patana Teng-Umnuay, MD., Ph.D.
14.30 - 15.45	Dental Stem Cell
	By Petcharin Sriwatanakul, Ph.D.
15.45 - 16.00	Break
16.00 - 17.15	Cell Biology
	By Dr.Suparerk Borwornpinyo

27th November 2013

08.30 - 09.00	Register
09.00 - 10.30	Fresh Cell Therapy in Switzerland
	By Olaf Kuhnke, MD.
10.30 - 10.45	Break
10.45 - 12.15	German Integrative Cancer Therapy
	By Ulrich K.H. Friedrichson, MD.
12.15 - 13.15	Lunch
13.15 - 14.45	Natural killer Cell for Cancer, Anti-Aging and Preventive medicine in Japan
	By Dr.Bennig Chang
14.45 - 15.00	Break
15.00 - 16.30	Starter Cell Method for Amniotic Fluid Stem Cell Isolation
	By Dr.Tassanee Permthai

28th November 2013

08.30 - 09.00	Register
09.00 - 10.30	Update in Diabetes and Stem Cell
	By Julee Jatuvorapat, MD.
10.30 - 10.45	Break
10.45 - 12.15	Endothelial Progenitor Cell
	By Associate Professor Dr.Naiphinich Kotchabhakdi
12.15 - 13.15	Lunch
13.15 - 14.45	The Effective of Cytokine-Induced killer cell in the treatment of Cholangiocarcinoma
	By Kawin Leelawat, MD.
14.45 - 15.00	Break
15.00 - 16.30	Closing
	By Prof. Somsak Varakamin MD., Dr.PH
	President of Association Cell Therapy, Thai
